

Chenille Stick Teddy Bear

Here is a cute, fast and easy chenille stick craft project. These adorable mini teddy bears are highly addictive, so you won't be able to make just one! The more you make, the better they turn out.

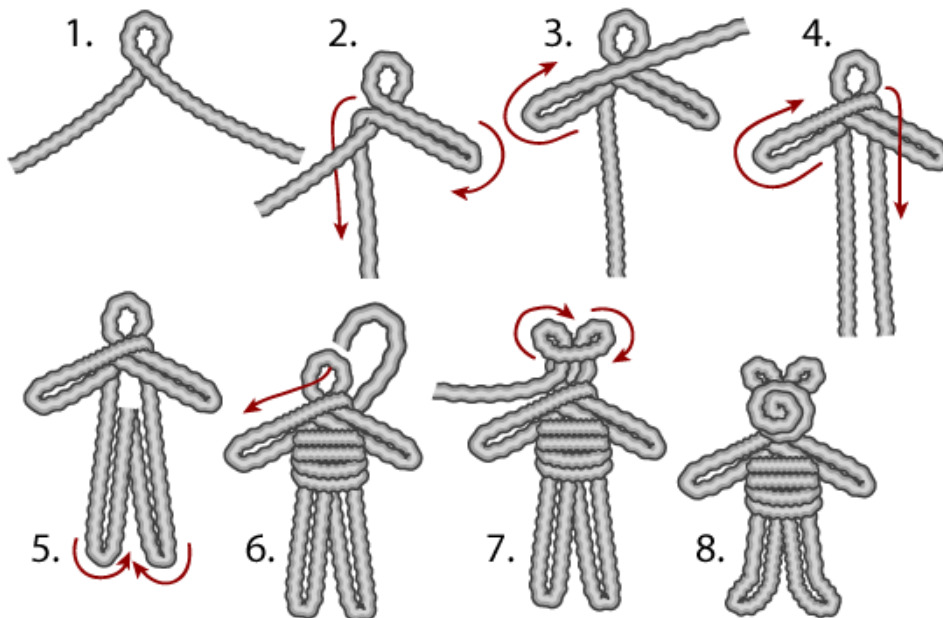

You will need:

- 2 x chenille sticks, 12mm thickness
- 3 x small black beads (seed beads)
- Craft glue
- 3 mm Ribbon for Bow

Instructions:

1. Bend one chenille stick in half, make a small loop in the center and spread the ends (Fig. 1).
2. To make arms: Bend one end, then bend it around the other end near the loop, so it faces downwards (Fig. 2).
3. Repeat step 2 for the other end (fig. 3).
4. To complete the arm see (fig. 4). The arms should be approximately 2.5 cm long.
5. To make legs: Bend the ends like shown (fig. 5).
6. To make body: wrap the other chenille stick around a pen or a pencil, making 4-5 coils. Slide the coils on the legs, the long end of the chenille stick facing upwards. Thread the long end through the loop, from back to front. from back to front (fig. 6).
7. To make ears: Make 2 small loops for the ears (fig. 7).
8. To make head and face: Form a tight spiral, forming the head and the face. The chenille stick should end near the center of the face. (fig. 8).
9. Bend the legs to make feet.
10. Use a toothpick to spread the glue, attach 3 beads for eyes and nose.
11. To decorate, tie a 3 mm wide ribbon for a bow.

IDEAS

Key ring Teddy Bear

Use Metal Chain or wax cord for key ring decoration

Fridge Magnet Teddy Bear

Use self-adhesive round magnets or cut 5 m piece from strip to make Funky Fridge magnets

Beautiful Teddy Bear

Make little container from corrugated cardboard. Decorate with twisted paper rope and fabric embellishments. Decorate teddy bear with a little rose.
